

| RESUMO BIOGRÁFICO   | O QUE SEI FAZER BEM   | ÁREA DE COMPETÊNCIA   |                                |
|---|---|---|--------------------------------|
| <p>I've started my career as an acoustic engineer specialized in product development. I have been working for more than 10 years in the field with the privilege to serve clients such as BBC, ITV, Microsoft Seattle, Google, Simply Red Studios, Jon Cohen, Macklemore, Rodney Studios, Ableton Studios, etc.</p> <p>I'm currently founder and CEO of ARTNOVION – a new technological approach with ubiquitous design, mastered to bring a new set of acoustic treatment solutions and user sound experiences.</p> <p>Time spent with hundreds of audio professionals also inspired me to develop new solutions to enhance the global audio experience, and so I'm also the lead product developer at MUSTYA - a new generation of wood furniture developed to maximize listening quality and workflow in professional audio environment, workspaces or at home.</p> <p>I have a degree in Music Production and Technologies from ESMAE (IPP, Portugal), an MSc/PG in Audio Acoustics from Salford University (UK) and I'm currently studying Lean Manufacturing at University of Minho (Portugal).</p> | <p>Desenvolvimento de produto.<br/>Negócio internacional.</p>                 | <p><b>1</b></p>   | <p>Gestão Estratégica</p>      |
|   |   | <p><b>2</b></p>   | <p>Criatividade e Inovação</p> |
|   | <p>COMO POSSO AJUDAR</p> <p>Reuniões informais para mentoria estratégica.</p> | <p>CONTACTOS</p> <p> jorge_castro@icloud.com</p> <p></p> <p></p> <p></p> |                                |
|   |   | <p>QUANTO TEMPO TENHO DISPONÍVEL</p> <p>2/h mês</p>   |                                |
